Make an impact

Tango® delivers a winning performance, on press and in your customers' hands.

FEATURE

Lifelike printed image

BENEFIT

We know it. Printers know it. Now independent testing confirms it. We deliver superior printed images and exceptional results. That means repeat sales and satisfied customers for you.

Quantified runnability

It runs better on press. Better consistency. Less waste. Finish on time and under budget with this no-worry, hassle-free performer.

Clean-white styling

Get crisper colors and sharper contrast while maintaining outstanding color fidelity on press. Not too blue, not too warm and preferred by more printers in a global survey.

Greater strength/stiffness

Because it is as much as 80% stiffer than some competitive grades, your printed pieces "feel" as good as they look to further enhance your brand image.

For all Tango products, our nationwide supply chain maintains hundreds of roll, skid and carton stocking items. So, stock or custom, as one of the largest providers of coated cover, we deliver what you want, when you want it.
